

ANIMAL DRUG STORE – Veterinary Prescriptions

Some products will require a prescription from your Veterinary Surgeon. Where you see  follow these three easy steps.

Step1 – Contact your Veterinary Surgeon and request a prescription. Your vet is legally obliged to provide you with a prescription. They may however charge you for one. **There is a template prescription below which you can print off and take to your vet.**

Step2 - Place your order online

Step3 - Mail the prescription to us at Animal Drug Store, Brown Egg Farm, Brownsfield, Houston Road, Inchinnan, PA4 9LZ

Don't forget to write your order number on the prescription.

1. Prescriptions are only valid for six months from the prescribing date or as stipulated by the vet.
2. We can only ship prescription items to the address on the prescription supplied by your vet.
3. You must mail us the original prescription provided by your vet.
4. We cannot ship your order until the prescription has been received.
